General Circular No. 02-28/2014

All Provincial Directors of Health Services  
All Regional Directors of Health Services  
All Heads of Institutions

### District inpatient care facilities for the patients with psychiatric disorders

At present there are 22 Acute Psychiatric Inpatient Care Units established in Provincial and District General Hospitals most of the districts. Other General and Base hospitals where acute psychiatric inpatient units are not available, patients with acute psychiatric problems could be admitted to general medical wards. Hence, please allocate few beds from the general medical wards to admit acute psychiatric patients.

Please bring the content of this circular letter to the notice all officers concerned in your institution.
